Client Attendees	- Gautam Kantak - Vikas Tripathi - Narendra Upasani
MOM Prepared By	Nilesh Jain

Details of Meeting

Sr.No	Description
1	Discussed about the SSO integration with NPD / PIDF application
2	SSO will be separate project and taken care by Emcure internal team only
3	SSO application will provide mostly Http Api or any other communication protocol to communicate with NPD / PIDF application
4	SSO application will be there just for authentication process, where NPD / PIDF application will pass credential & get back the user detail
5	NPD / PIDF application will store unique user id (For User Management) received from SSO
6	SSO application will provide communication for List, Detail, Delete, Insert/Update user
7	Role & permission (Authorization) will be managed at NPD / PIDF application only
8	Mr Vikas informed that SSO finalization is very critical decision so it might get finalized by July end week or August first week
